

*I will inform my fellow citizens on our roles and responsibilities as citizens in decision making processes as per the Constitution.*

**ATTENTION!! ATTENTION!!**

*...in other news...the Government has invited the public to give their opinions on a Bill that will ensure that the funds being donated by well wishers will be put to good...*

*Regardless, it is our right as stated in the constitution.*

*Switch that thing off, I cannot waste my time, they won't listen anyway.*

*Mheshimiwa, I heard the Government just released 12 billion shillings for the CORONA Virus?*

*Yes sure, our area is getting Forty million shillings.*

*Mheshimiwa, how will the funds be used?*

*I should keep track of the funds being allocated and released for COVID 19 Responses.*

*I will Ensure that my Member of County Assembly conduct their oversight role with regards to COVID 19 funds.*

*Mheshimiwa,,, a contractor was hired last quarter to construct a borehole here.*

*Just  
Look at how expensive water is...*

*I know just how important water is especially during this COVID 19 pandemic. I will look into into and get back to you...*

**Watershed**  
empowering citizens
