

I will be my brother's keeper by reporting any suspected corruption case to relevant authorities.

Seek information from credible sources.

Hallo Bwana Chief, I understand the Government has given out free water tanks to us for hand washing. I have come for mine.

I just got a message on Whatsapp; The County spent COVID-19 Funds on TEA and BREAD

Yes sure Mama Africa, but you will have to give me Five Thousand shillings. Nothing is free in this world.

???????

I must report this..

*THAT IS FALSE NEWS.
Get information from credible sources. By the way put on your mask properly.*
